

Interview master class

Description of activity:

This one lesson activity will offer students an opportunity to understand the importance of being well prepared for an interview and will focus on developing individual student's interview techniques.

REBP staff will lead the lesson and provide all materials. Topics covered will include:

- preparation before an interview;
- dressing for success;
- interview questions and answers;
- hints and tips; and
- a practical activity for the students.

Through this activity students will:

- understand the importance of preparing for an interview;
- know about the appropriate dress code for an interview situation;
- be able to answer key interview questions; and
- feel more confident about going for an interview.
