

Work experience parents evening

Description of activity

REBP will support a school's work experience parents evening. The provision of support can include:

- an overview of the work experience programme including and REBP's procedures for selection and allocation of placements;
- a demonstration of the WebView job selection database; and
- an opportunity for a question and answer session with EBP staff.

The parents evening is an ideal way to kick start the work experience programme in school and ensure that parents are fully aware of the processes involved in securing placements.

Through this activity participants will:

- Understand the procedures involved in organising a work experience placement
- Understand what their responsibilities are within the process

This activity is aimed at:	Parents of Key Stage 4 students
Time required for activity:	30 to 45 minutes
Cost:	Funded through SLA and LSC
Schools are required to provide:	<ul style="list-style-type: none">• Venue• Access to internet and PowerPoint facilities
